March 14, 2008

Dear Friend:

On **May 19, 2008**, I will be hosting the 3rd Annual First District Career Fair. I cordially invite your organization to participate in this event which has proven to be an excellent opportunity for prospective job seekers to meet with employers in the Metro Area. It will be held **from 9:30 a.m. to 3:00 p.m. at Harris-Stowe State University – Emerson Education and Performing Arts Center, 3026 Laclede Avenue, St. Louis, MO, 63103.**

The Career Fair provides an outstanding setting where you can recruit new talent, interview potential employees, and collect applications and resumes for both summer and year-round positions. It is possible that this may be the year where you find that ideal employee who will be the perfect addition to your organization. Also, you may be interested to know that we included a Youth Summer Jobs Program in our Fair last year, which we plan to do again this year. This exciting feature proved to be highly popular with our young people.

I believe that a Career Fair such as this helps increase the employment numbers in the Metro Area. Because of the involvement of companies such as yours, we are able to offer out-standing networking opportunities for job seekers. Therefore, I hope that your organization will be able to participate in this event which can have such a great impact in the First Congressional District of Missouri as well as throughout the entire region.

There are no participation fees. To confirm your attendance, please complete the enclosed **Participant Registration Form** and fax it to Alyson Singfield in my District Office at (314) 367-1341. Don't forget to R.S.V. P. early as space is limited and fills quickly. If you have any specific questions about the First District Career Fair, please contact Alyson Singfield or Pauline Jamry at (314) 367-1970 or e-mail either of them at Alyson.Singfield@mail.house.gov or Pauline.Jamry@mail.house.gov.

Please be on the look out for a copy of this letter and the registration form in the mail. Your participation will be a wonderful addition to the First District Career Fair. I look forward to hearing from you soon.

Sincerely,

Wm. Lacy Clay
